Our services

First charge regulated mortgages: we will provide you with advice and our recommendation after we have assessed your needs and circumstances.

Product transfers (switching to a new rate with your current lender)

We will check the availability of better rates after our initial recommendation has been made.

Second charge regulated mortgages: we offer a referral service to one of our trusted partners.

Insurance: we will provide you with our advice and a personal recommendation after we have assessed your needs and circumstances. We are an intermediary (not an insurer), and we act on your behalf.

The products we offer

Mortgages

We offer a comprehensive range of first charge regulated mortgage contracts from over 65 lenders but not deals that you can only obtain by going direct to a lender.

You can find a list of the lenders we work with at www.sesame.co.uk/consumers . If you need the list in a different format, please let us know.

Insurance

We offer products based on a fair and personal analysis for term assurance, critical illness, income protection and non-profit whole of life.

The cost of our services

Mortgages (including our product transfer service)

We won't charge you a fee, we will be paid commission by the lender.

You will receive a personalised illustration for the mortgage we recommend. This will tell you about any fees relating to it, and the commission we will be paid.

If you would like an illustration for a different mortgage that we offer, please ask us for one. If you would like to know how much commission other lenders may pay, please ask us for details.

Insurance

We arrange the policy with the insurer on your behalf. We don't charge you a fee for doing this. We receive commission from the insurer which is a percentage of your total annual premium.

You will receive a quotation that will tell you about any other fees relating to the recommended insurance policy.
